The surroundings have now the desired and some designing persons appear to be strengthening his hands against Govt. Gurusayarus and the bygone disciples after Matha for having influenced the Govt in their action against him.

43) I understand that the person now inducted into the Asrama is also known as Gurusayarus alias Sen of Vyasarao of Savanur in Dharwar Dt — probably the same Vyasarao as was mentioned after Swamiyaru in his Srimukha as intended after him for succession

(46) The action of the Swamiji is objectionable in more than one respect and some immediate action appears to be called for. In connection with the reported mismanagement of the Matha properties in Cheeranalur a suggestion has been made to assume management of these. The present position appears to make such an action all the more necessary to initiate some enquiry into the Swamiji's future action.

Sir, With reference to your confidential letter No 3168 Miscg 392-13-4 dated the 8th May 1914, regarding succession to the Peeta of the Sri Kundapur Vyasaraya-Swami matt, I have the honor to state that Mr Beli Srinivasa Rao, Bench Magistrate (a retired Amildar, who is interested in the affairs of the matt as one of the disciples thereof, was asked to give correct information in the matter he sent for Vedamurti Guruvayachar who appeared before me on 23-5-1914 and stated in his statement herewith submitted) that he is ready to take up the rama as promised by him previously before Mr Wyatt. Superintendent Mr A Subramanya Iyer, that he never expressed to any body his willingness to take up Ashrama, nor did he to the Swamigalu to that effect.

Beli Srinivasa Rao states in his D. O 3-5-1914 (copy herein enclosed) That the qualifications of Vedamurti

Further he writes that when one belonging to another Matt was selected by the present Swamiji there was great discontentment among the Sishyas and that the same was represented to Government.

Sir,

With reference to your letter No.3076/Muz.388-13-10 dated 1st March 1916, regarding the affairs of the Sri Kundapur Vyasaraya -- Matha in the Chennapatna Taluk, I have the honor to state that Mr. M.Sadasiva Pao to whom the matter was referred to for report as desired in the above, states in his No.1077 dated 1st April 1916, that he made a reference to the Sri Swamigalu at Budimatta and no reply has as yet been received and that he had written a D.O.letter to the Thasildar of Hosur Taluk in the matter, to which he received no reply. The Amildar of Chennapatna reports that the Matt buildings are in a dilapidated condition and that the Inam village endowed to the Matt is mismanaged, which is attributed to the absence of the Sri Swamigalu from Head-quarters. The Swamigalu is reported to be 80 years old, hard of hearing and his sight also appears to have grown dim. It is also reported that the village in which the Swamigalu now resides is an insignificant one where there are very few Brahmins; that the Swamigalu might have given Asrama to one who is not a disciple of the Matt, that though the Swamigalu was requested more than once to return to the Head-quarters, he has not done so nor has he sent in any reply to the Amildar's requisition. With reference to correspondence ending with Government Order No. 2662-Muzrai 392-13-14 dated 11th May 1916, sanctioning the deputation of Mr. L.Sadasiva Rao, Assistant Commissioner to interview the Swamigalu of Sri Kundapura Vyasaraya Swami Matta now at Bundinatha in the Hosur Taluk, I have the honor to forward herewith a copy of letter No. 232 dated 19th instant received from Mr. Sadasiva Rao after his interview with the Swamigalu on the 15th instant and to state that it will be seen therefrom that though the Swamigalu is dimsighted owing to old age he appears to be in full possession of his faculties and has been keeping good health The disciple to whom he has given Asrama seems to be a man of Sri Uttaradi Matta and the fact of his giving the Asrama does not seem to have anything to do with the succession to the matt. The Swami is not in favour of giving Asrama and succession obur Gurunayachar as he is now an "Apathnika" (widower). seen therefrom that the Swamigalu is going to n for succession to the Matta from among the

the disciples to gather on the occasion of his Guru's "Sahasrachandrodhana" which comes off on the 23, 24th & 25th June 1916 and when he has done so, the Swami says that the Assistant Commissioner will be duly intimated. He is not willing to give Asrama forthwith even to the individual who he might select, as this would lead to Schism in the Matha between the old and new Swamis. A copy of the written statement given by the Swami about the time of the interview containing the above facts is also herein enclosed for favour of information of ~~the~~ Government.

Letter No. 232 dated 18/19th June 1916 from Mr. D.Sadasiva Rao, B.A.,B.L., Assistant Commissioner, Closepet Sub Division, to the Deputy Commissioner, Bangalore District.

With reference to your docket No. P.4299-4300 dated the 17th May 1916 re interviewing the Swamigalu of Sri Kundapur Vyasaraya Swami Matta, Chennapatna Taluk, I have the honor to state that I left on deputation having handed over charge to Mr. A.K.Syed Taj Pooran, Assistant Commissioner, Dodballapur Sub Division on the 13th evening and that I returned after the deputation taking over charge on the afternoon of the 17th instant. The result of my interview with the Swamigalu at Budinatam Hosur Taluk is narrated in the following paragraph.

2.(a) The Swamigalu is dimsighted owing to old age but is in full possession of his faculties and in good health.

(b) The disciple to whom he has given Asrama is a youngman of Uttaradi Matt. This giving of Asrama has nothing to do with the succession (Vide the Swamigalu's statement enclosed)

(c) The Swamigalu is against giving the Asrama and succession to Abour Gururayachar (Vide statement enclosed and also the Swamigalu's repudiation of a Srimukha purporting to be written by him in July 1913 from Rameswaram contained in the old file relating to this matter).

(d) When the expediency of nominating a successor was pressed upon him the Swamigalu said he would choose a likely young man from among the disciples that gather for his Guru's "Maha-Sharadhane' which takes place this month, and write to me; he is against giving Asrama forthwith even to the individual whom he will chose as he apprehends that would lead to schism in the mutt between the new and old Swamis. He would prefer having the disciple with him and eventually making him the successor.

(e) He has issued invitation mentioning this matter of choosing a fit person to his disciples at Adbur Channapatna Taluk and Narasipur, Nelamangala Taluk.

3. The Swamigalu's opinion in the matter is embodied in the statement he got written and gave me at Budnigiri at the end of the interview. The same is attached hereto for perusal. The entire records are also submitted.

Sir,

Adverting to correspondence end ing with your letter No.S.852 dated 27th June 1916 relating to the inter- view of Mr. M. Sadasiva Rao, Sub Divi- sion Officer, Closepet, with the Swami galu of Kundapur Sri Vyasarayaswami Matha at Budinatha (now residing) in the Hosur Taluk,

I am directed to state that the Govern- ment

over.

Government note that the Swamigalu dis
claims any intention of nominating as
his successor in the Pita Sri Pradhyumna
Vadayer, the disciple who was recently
inducted by him into the Sanyasa Asrama
and that he proposes to choose a suitable
person for the purpose at the next Maha
Samaradhane and to make a separate communi-
cation in due course.

As the Swamigalu has already been
informed that the previous sanction of
Government should be obtained before a
successor is selected, no particular action
seems called for in this matter at present.
But I am to suggest that in view of th
Swamigalu's age and the controversies
that seem to have arisen in the community
concerned on the question of the appointment
of a successor, you will be so good as to
watch the situation carefully and in the
time conserve the extensive properties
ch the Matt is endowed.
